

Announcing the 2018 Milk and Shellfish Grant Program

The U.S. Food and Drug Administration (FDA) and the Association of Food and Drug Officials (AFDO) are proud to announce Year 2 of the AFDO-administered National Grade “A” Milk Safety and National Shellfish Sanitation Grant Programs. The program provides funds for training and equipment purchases in support of milk and shellfish regulatory programs.

A single program with authority to implement the National Grade “A” Milk Safety Program (regulatory/rating authority or laboratory service) may apply for funding for up to two (2) projects:

- One (1) National Grade “A” Milk Program 2018 Calendar Year Training Request (Awards in December 2017)
- One (1) National Grade “A” Milk Program Equipment Request (If Funded, Awards in Spring 2018)

Year 2:
\$675,000
in funding available!

Accepting Applications: September 25th – October 30th
