

2017-2018 AFDO FINAL COMMITTEE REPORT

Alumni Committee

Chair: David Read, IFPTI

***Chair:** Nancy Singer, Compliance Alliance, LLC

Charge 1: Mentor new AFDO members, especially younger members, and make them welcome at AFDO and in the affiliates. This would involve “active” mentoring, not simply leading them around during AFDO and introducing them to other members.

Discussion: At the 2018 AFDO Annual Meeting, invitations were sent out to members of the Alumni Committee and the Professional Development Committee to serve as mentors for first time attendees and continue to mentor the newcomers after the meeting. There was a great response, and we currently have 18 people who have agreed to serve as mentors.

Recommendations: Continue this process for recruiting mentors and holding the session for future AFDO Annual meetings.

Charge 3: Start a special “AFDO Archive” by giving oral thoughts and memories from the past. We dwell so much of the ancient history of AFDO that perhaps we ought to put the old history in perspective with more recent history (i.e. the 70s through the present). There is much we can each recall from our “AFDO” experiences.

Discussion: At the AFDO Alumni Committee Meeting, committee members will be asked to provide oral memories from the past. These will be captured.

Recommendations: Continue this charge. Examine the response that we received at the Committee meeting. Try it again in 2019.

Discussion: The AFDO Board has allocated funds to help provide scholarships for selected alumni who want to participate in the sessions.

Recommendations: Continue this charge.

Charge 5: Work to integrate FDA alumni group into the AFDO Alumni Committee.

Discussion: Dennis Baker had conversations with representatives from the FDA Alumni Association to try to get them to attend the meeting. The discussions indicate that members of the FDA Alumni Association will be more receptive to attending meetings in Chicago, DC, or Orlando.

Recommendations: Continue this charge.
