

2017-2018 AFDO FINAL COMMITTEE REPORT

International & Governmental Relations Committee

Chair: LaTonya Mitchell, U.S. Food and Drug Administration, Denver, CO

Chair: Ken Moore, Health Canada, Toronto, Ontario, Canada

Charge 1: Identify topics of interest and international speakers for the annual conference.

Discussion: Committee held monthly meetings to develop an agenda. We finalized the agenda for upcoming AFDO conference in February 2018.

Recommendations: Continue this charge.

Executive Committee Action:

Approval Disapproval Date 6/6/18

Charge 2: Identify international networks, outlets, or other potential mechanisms for AFDO to consider promoting AFDO and advancing our outreach into the international arena.

Discussion: This charge was completed during the 2016-2107 period, and a detailed listing of networks/outlets was submitted to AFDO in May 2017. We also resubmitted the listing in October 2017. No additional actions were taken during the 2017-2018 period.

Recommendations: Continue this charge.

Executive Committee Action:

Approval Disapproval Date 6/6/18

Charge 3: Identify potential roles of AFDO with imported Food, Drugs and Medical Devices, including FSMA training.

Discussion: The committee did not Yes, the committee does not understand what is needed for Charge 3. We have asked for clarification and will try to meet charge, if possible. The committee did not receive any additional information on how to fulfill this charge. Since there are other mechanisms in place to fill this role, we ask to have this charge removed.

Recommendations: Remove this charge.

Executive Committee Action:

Approval Disapproval Date 6/6/18
