AFDO Conference Scholarship Program

The Association of Food and Drug Officials (AFDO) received a scientific conference grant from the U.S. Food and Drug Administration. The purpose of the award is to provide scholarships to state and local food & drug regulatory personnel to attend the 2019 AFDO Annual Educational Conference (AEC). This year's AEC is being held June 22-26, 2019 at the Grant Hyatt Atlanta in

We will be able to fund a **limited** number of representatives to the conference. Applications due by **March 1, 2019**. [Learn more and apply...](#)

AFDOSS Scholarship Award

In 1999, AFDOSS established the Mary Logan Scholarship in honor of one of our great members who served as Secretary/Treasurer for our regional affiliate for 30 years. Mrs. Logan, who is now retired, worked 39 years with the Tennessee Department of Agriculture.

This scholarship in the amount of \$4,500 is designed to be awarded to top students who have demonstrated a desire to serve in a career of research, regulatory work, quality control, or teach in an area related to some aspect of foods, drugs or consumer product safety. Student candidates should have demonstrated leadership capabilities and must have at least a 3.0 grade point average. [View more information...](#)

Register for the 2019 Consumer Food Safety Education Conference

Early bird [registration has opened](#) for From Consumers to Chefs: Food Safety Education Matters, a two-day conference, March 7-8, 2019, filled with [take-away strategies for changing people's food safety knowledge and behaviors](#). This seventh in a series of consumer food safety education conferences is hosted by the non-profit [Partnership for Food Safety Education](#). The beautiful [Swan and Dolphin Resort](#) is the conference location and a terrific rate is available to conference attendees.

The conference, expected to be attended by 400 health and food safety educators from across the United States, will explore influences on consumers; the way to effect behavior change; and strategies to better engage everyone in modeling proper food preparation and hand hygiene practices.

Don't miss the early bird registration rates – [register now here](#).

FDA News

FDA Proposed Significant Changes for Sunscreen Product Regulations

The U.S. FDA published a proposed rule that, if finalized, would mandate significant changes for the sunscreen product industry, including:

- Changes to the GRASE status of certain sunscreen ingredients
- Removal of certain sunscreen ingredients from the final monograph
- Changes to labeling requirements
- Updates to maximum SPF

Registrar Corp published an article today summarizing the important changes within FDA's proposed rule: <https://www.registrarcorp.com/fda-proposed-rule-on-final-monograph-for-otc-sunscreen-products/>

Job Postings

Health

This position serves as a Regional Sanitarian in the Center for Food Processing, Office of Food Protection, Prevention and Health Promotion Administration. The Regional Sanitarian inspects food processing facilities and evaluates and tests equipment and processes to verify compliance with State and federal laws and regulations that govern food safety. This position also performs the following duties: collects food samples; serves as a member of the Rapid Response Team; conducts Pre-opening inspections for food processing plants and retail chain Or franchise facilities; provides training and consultation to industry and local health departments; conducts investigations related to foodborne disease outbreaks and complaints; performs studies such as time and temperature relationships or pH assessment to assure safe food processing; and takes enforcement action when necessary to gain operator compliance and protect the public from adulterated and misbranded food. The Regional Sanitarian works in partnership with industry and local, State, and federal agencies to promote public health and ensure that food products are produced in a safe and sanitary manner.
