Association of Food and Drug Officials Leadership Changes

After years of leading the transformation of the Association of Food and Drug Officials to a key force in food and medical products regulation, Joe Corby is stepping down as Executive Director of AFDO. Stepping into the position is Steven Mandernach, currently Bureau Chief for Food and Consumer Safety at the Iowa Department of Inspections and Appeals. These changes are effective October 8, 2018. CALL FOR ABSTRACTS: 2019 National Food Safety Education Conference

The Partnership for Food Safety Education (the Partnership) has issued a call for abstracts for the 7th in a series of national consumer food safety education conferences, From Consumers to Chefs: Food Safety Education Matters, March 6 - 8, 2019 in Orlando, Florida. [Learn more or submit an abstract.](#)

Director of Food Safety and Inspection

The New York State Department of Agriculture and Markets, through its various divisions and programs, promotes New York agriculture and its high-quality and diverse products, fosters agricultural environmental stewardship, and safeguards the State's food supply, land and livestock to ensure the viability and growth of New York's agriculture industries. If you would like to work for a premier agency focused on enhancing the quality of life for the people of New York State by supporting production of agriculture; ensuring safe, nutritious and accessible food supply; providing economic opportunities for farm and rural residents, then the New York State Department of Agriculture and Markets is for you. The Department is a leader on a national scale in food safety regulation and compliance. The Department is seeking a proven food safety professional to champion our mission, lead our staff, and safeguard the food supply of New York State. [Learn more or apply...](#)
