Public-Facing Websites

<https://www.foodprotectiontaskforce.com/>

- Dynamic content on homepage
- Interactive Map to other state task force sites
- Event calendar can be updated with FoodSHIELD/portal events

The screenshot shows the homepage of the Coalition of Food Protection Task Forces. At the top, there is a navigation menu with links for STATE TASK FORCES, EVENTS, RESOURCES, TECHNOLOGY, ABOUT, and LOGIN. Below the navigation is a blue header with the text "State Food Protection Task Forces". The main content area features a heading "Visit and Learn More About Our State Food Protection Task Forces" and a grid of eight state-specific images. Each image is accompanied by a state name: ALABAMA, ALASKA, ARIZONA, ARKANSAS, COLORADO, CONNECTICUT, DELAWARE, and DISTRICT OF COLUMBIA. A "LEARN MORE" link is visible under the District of Columbia image.

AFTER ACTION EXCHANGE

- Launched as an external app in May 2018
- Create, view or edit After Action Reports/Improvement Plans
- Users can create a HotWash survey and send a link to participate from within AAX.

Survey Instructions

After you customize the survey and specify recipients/participants go to the [Event Summary](#) and click "Send Survey" button.

Note: Once you begin to customize the survey, changing Core Capabilities will require that you reset the survey and lose any information you have customized. If you must change any Core Capabilities:

(1) go back to the "Add Event Details" tab and add/remove Core Capabilities as needed; and (2) click on [Reset to Default](#) to incorporate changes into the survey template. If applicable, you may wish to first go into the customized survey and copy any custom text or questions you created to use as reference.

Strategies in Action- International Usage

Multi-lingual

- Primary application features
- Support multiple languages.
- Initial focus on core navigation
- First language Spanish
- Driven by user profile settings

The screenshot shows a login interface with the following elements:

- Header: "Ingresar" with a subtext "Usuarios autorizados solamente" and language selection buttons for "EN" (English) and "ES" (Spanish).
- Form fields: "Correo electrónico" (Email) with a placeholder "Enter email" and "contraseña" (password) with a placeholder "Password".
- Buttons: "Ingresar" (Login) and "Olvide la contraseña" (Forgot password).
- Registration prompt: "¿Necesita registrarse?" (Do you need to register?) with the subtext "Puede crear una cuenta:" (You can create an account:).
- Footer: "¿Necesita capacitación?" (Do you need training?).

EU Data Rules: GDPR

The European Union has adopted a new data privacy legislation which creates a higher level of protection for consumers and stronger rules for companies.

Applies to U.S. companies

offering goods or services in the EU, processing personal data from Europe, monitoring behavior within the EU.

Severe penalties

up to 4% of the company's worldwide annual revenue or **up to 22 M \$** (whichever is higher)

When?

GDPR is applicable as of May

2018

Thank you!
