

State of Rhode Island – Department of Health

The following provides the State with the authority to obtain records and documents necessary for the determination of consumer food purchases during investigation of foodborne illnesses within their jurisdiction. Questions regarding specific situations, the documents that can be requested, or the statutory citations listed should be directed to the authorized State agency. You may access contact information for the state agency on the Directory of State and Local Officials webpage at:

Rhode Island Code of Regulations

Food Code (216-RICR-50-10-1) § 1.7.5 Responsibilities of the Permit Holder

In addition to the § 8.304.11 of the Code, permit holders must provide immediate access to shopper card and customer information when needed during an investigation for a foodborne illness or other imminent threat to public health.
