

It's time to
APPLY for **National Shellfish
Sanitation Program
Training Grants**

The United States Food and Drug Administration (FDA), in collaboration with the Interstate Shellfish Sanitation Conference (ISSC), and the Association of Food and Drug Officials (AFDO), have partnered to provide State Cooperative Program Grants for National Shellfish Sanitation Programs.

Interested? Go to www.afdo.org/grants/msgrants to register for the latest updates.

Shellfish Training Grants

Apply September 27 – October 29, 2021

Open application period for Calendar Year 2022 Training Needs grants for National Shellfish Sanitation Programs.

Requests:

- Courses or Seminars meeting the intent of the Milk and Shellfish Grant Program, with published dates for CY 2022.
- Regional Seminars.
- Alternative web-based training, with strong justification.
- In-state training, staff training meetings, university-based on-line courses, and other types of trainings will be considered, when adequate justification is provided describing how this grant program's goals are supported.

Shellfish Equipment Grants

Equipment Portal Opening Dates and Grant Guidance will be provided when information becomes available.
