

State of Utah – Department of Health

The following provides the State with the authority to obtain records and documents necessary for the determination of consumer food purchases during investigation of foodborne illnesses within their jurisdiction. Questions regarding specific situations, the documents that can be requested, or the statutory citations listed should be directed to the authorized State agency. You may access contact information for the state agency on the Directory of State and Local Officials webpage at:

<http://dslo.afdo.org>

R386. Health, Disease Control and Prevention, Epidemiology.

R386-702. Utah Communicable Disease Rule.

§ R386-702-10 Information Necessary for Public Health Investigation and Surveillance.

(1) Reporting entities shall provide the Department or local health department with any records or other materials requested by public health that are necessary to conduct a thorough investigation.
